Attn: Mr. Graham of Group 3680
Commissioner for Patents

Dear Mr. Graham,

I refer to a phone call this morning from your office stating that my reply of 09/16/2003 is missing in your record to your final notice of 09/05/2003.

I attach herewith evidence proving delivery of my reply letter was mailed with its certified receipt and seal of United States Patent Office upon arrival both on September 16 and 22 accordingly. I accepted the content of my application being published on 02/27/2003 in my above reply of 09/16/2003 but I did not receive any reaction concerning patent allowance.

Seven months elapsed, the delay was caused by your part to have shortened the total life of an approving patent as it begins being counted upon its filing date that its nature interest is likewise being damaged, further the responsibility of human lives it concerns that the invention can save thousands of American lives per year causing by traffic accidents if patent is approved earlier to execute and to stop these accidents.

Your prompt reaction would be appreciated.

Respectfully,

Henri Duong
